Sheep Class 2-Week Remote Learning Plan

In the event of another lockdown and children need to stay at home, below are details of 2 weeks planning for Sheep Class students to complete remotely. Packs will be sent home with children, including any worksheets required for activities. It will be expected that children complete Maths and Phonics/English sessions daily, plus some foundation subjects during the week, totaling around 1½ -2 hours of work time every day. The foundation subject lessons can be done on any day or in any order, but it's better for maths and English/Phonics to be done in the sequence set out overleaf.

Maths and English/Phonics activities are differentiated to suit children's abilities ('Challenge by Choice'). Bronze activities are the easier ones, moving on to Silver and then Gold (more challenging). Younger or less confident children may need support from an adult, but some more confident children will be able to do the activities independently (especially if instructions are read out to them). If children are interested in completing some of the other activities, they are welcome to try, but this is not necessary. Just help your child to choose activities they think they can do!

We will also provide patterns/letter formation handwriting packs, plus a name formation sheet and a number formation sheet (which are both laminated for multiple use with a whiteboard pen).

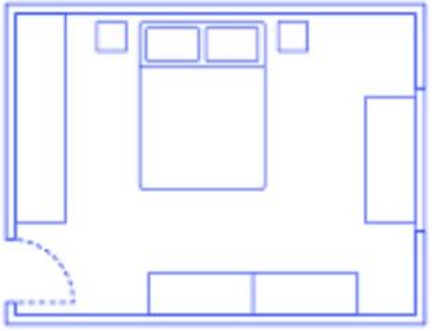

As Sheep class children are still very young and need to have regular active breaks, I would advise that you break up the home-learning time throughout the day, rather than in one long session. Many children of this age cannot manage more than about 20 minutes of table-work at a time.

If you would like me to see/mark any of your child's work (or if you have any questions or concerns) please do feel free to email the school office (office@northelmham.norfolk.sch.uk) on Mondays - Thursdays and I will respond by email. Please be aware that I do not work on Fridays, so communications will not reach me on that day.

Kind regards,
Mrs Gkikopoulos

Week 1 Maths and Phonics/English				
Monday	**Tuesday**	**Wednesday**	**Thursday**	**Friday**
Phonics/English (~1 hr)	Phonics/English (~1 hr)	Phonics/English (~1 hr)	Phonics/English (~1 hr)	Phonics/English (~1 hr)
Recap of /s/ and /a/ phonemes ***BRONZE***: Phonics games ***SILVER***: CVC word reading & writing activities ***GOLD*****:** Sentence-building activities Handwriting Name formation practice sheet Reading • Daily reading • Read High Frequency Fairy Words	Recap of /t/ and /p/ phonemes ***BRONZE***: Phonics games ***SILVER***: CVC word reading & writing activities ***GOLD*****:** Sentence-building activities Handwriting Patterns/letters booklet Reading • Daily reading • Read Tricky Troll Words	Recap of /i/ and /n/ phonemes ***BRONZE***: Phonics games ***SILVER***: CVC word reading & writing activities ***GOLD*****:** Sentence-building activities Handwriting Name formation practice sheet Reading • Daily reading • Read High Frequency Fairy Words	Recap of /m/ and /d/ phonemes ***BRONZE***: Phonics games ***SILVER***: CVC word reading & writing activities ***GOLD*****:** Sentence-building activities Handwriting Patterns/letters booklet Reading • Daily reading • Read Tricky Troll Words	Recap of /g/ and /o/ phonemes ***BRONZE***: Phonics games ***SILVER***: CVC word reading & writing activities ***GOLD*****:** Sentence-building activities Handwriting Name formation practice sheet Reading • Daily reading • Read High Frequency Fairy Words
Maths (~½ hr)	Maths (~½ hr)	Maths (~½ hr)	Maths (~½ hr)	Maths (~½ hr)
BRONZE: Number mat booklet (numbers 0 & 1) ***SILVER***: Counting to 20 booklet (Minibeast Hotels counting to 20, page 1) ***GOLD*****:** Number and Place Value booklet (One More, One Less card game) Number formation worksheet for all	***BRONZE***: Number mat booklet (number 2) ***SILVER***: Counting to 20 booklet (Minibeast Hotels counting to 20, pages 2&3) ***GOLD*****:** Number and Place Value booklet (Count, read & write numbers to 100) Number formation worksheet for all	***BRONZE***: Number mat booklet (number 3) ***SILVER***: Counting to 20 booklet (Teddy Bears' Picnic counting to 20) ***GOLD*****:** Number and Place Value booklet (Count to and across 100) Number formation worksheet for all	***BRONZE***: Number mat booklet (number 4) ***SILVER***: Counting to 20 booklet (Minibeast Hotels counting to 20) ***GOLD*****:** Number and Place Value booklet (Representing numbers) Number formation worksheet for all	***BRONZE***: Number mat booklet (number 5) ***SILVER***: Counting to 20 booklet (Cherry's Flowerpots counting to 20) ***GOLD*****:** Number and Place Value booklet (Count in multiples of 2,5 & 10: first page) Number formation worksheet for all

Foundation Subjects activities to complete over the 2 week period		
History Find photos of yourself from when you were a baby up until now. Put them in order to make a timeline of your life. Ask your parents to tell you about what you were like at each stage of your life! Did you learn something new about yourself? *Challenge: write on your timeline the years and events (e.g. 2012: I was born)*	**Geography** Draw a map of your house and/or garden. Draw a route through your map and then walk your route, drawing or writing on your map the things that you see/hear/smell. *Challenge: label your map with the names of rooms etc.*	**Science** Draw around a doll/toy person and label parts of the body (head, neck, arms, hands, chest, stomach, legs, feet, toes) *Challenge: can you label other parts?* Draw a self-portrait, label which parts help us with which of the 5 senses.
D&T Draw an aerial view of your bedroom (use a ruler!) and then design and make a junk model of your bedroom. 	**Art** Create a fireworks painting! You could use a cut up loo roll like this: 	**RE** We have learnt that a parable is a story that Jesus told to teach people something important. Watch this animation of the Parable of the Good Samaritan. https://www.bbc.co.uk/bitesize/clips/zcyr87h What does it teach us? Can you be a 'good Samaritan'? What could you do to help the people in your family?
PE Do some PE with Joe Wicks on YouTube! **https://www.youtube.com/playlist?list=PLyCLoPd4VxBsXs1WmPcektsQyFbXTf9FQ** Do some yoga! https://www.youtube.com/user/CosmicKidsYoga	**Outdoor learning/art** Go on an autumn walk, take paper and pencils. Whilst out do bark rubbings or leaf rubbings, you could take some home to create with. Can you explain to someone why the leaves aren't green anymore?	**Outdoor learning/maths** Make collections of leaves, twigs, pine cones, etc and use them to make some giant numbers in your garden!
