25th February 2022

Lions Spring 2 Curriculum Newsletter

Dear Parents/Carers,

Welcome back! We hope you had a lovely half term. Below is what lies in store for next half term in the run-up to Easter.

Term dates:

Start of Spring 2 term: Monday 21st February
Parents Evening (for Lions): Tuesday 1st / Thursday 3rd March
World Book Day: Thursday 3rd March
Last day of Spring 2 term: Friday 1st April
Back to school for Summer 1 term: Wednesday 20th April

World Book Day

We will be celebrating World Book Day on Thursday 3rd March. Children are encouraged to come into school dressed up as a book character. We are not expecting anyone to have to go out and buy an outfit. You should have some options at home – such as a character from Matilda or Charlie and the Chocolate Factory. There are some ideas on this website https://www.manchestereveningnews.co.uk/whats-on/family-kids-news/easy-costumes-world-book-day-17813704

Parents Evening

During the second week of half term, the week beginning the 28th February, we will be holding parents evenings. This will be on the phone. The dates for Lions will be Tuesday 1st OR Thursday 3rd March between 3:30-6:00pm. There will be a separate letter explaining this and for you to choose a slot. Please return this letter to us. I am looking forward to catching up with you about your children.

PE

We will continue to have P.E on Mondays and Wednesdays, and children should come into school wearing their school PE kits.

With best wishes,

Mr Martinez

Lions Curriculum Map

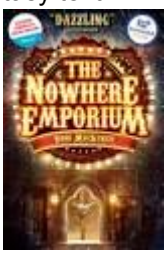

Spring 2

English

We continue our fiction writing, learning about Rose Blanche and the impact of concentration camps on her. We will use the book by Christophe Gallaz and Roberto Innocenti to stimulate our writing.

Then we move onto The Nowhere Emporium which is a fantasy text.

Alongside these units, we will read *Nowhere Emporium* in our Reading sessions as we learn how to use the text more in our answers.

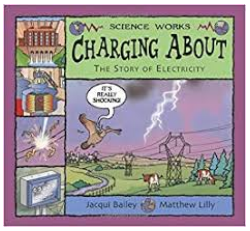

Mathematics

This half term we will deepen our understanding of multiplication and division and continue to consolidate our learning of written multiplication and division methods. We will also revisit fractions and decimals and introduce the concept of percentages before completing a unit on geometry.

Science

Pupils will investigate circuits; comparing parallel and series. They will give reasons for the variations and explore how various components function. They will also recognise symbols used in circuits.

Vocabulary: Electric current, appliances, mains, crocodile clips, wires, bulb, battery cell, battery holder, motor, buzzer, switch, conductor, electrical insulator, conductor.

Design & Technology

Pupils will complete their Design & Technology unit during outdoor learning. They will design, build and evaluate a new outdoor kitchen. They will use various tools and test joints to construct a kitchen.

French

This unit will look at the French terms for clothes. Children will learn how to explain what they are wearing using the french vocabulary. They will become familiar with the vocabulary in listening, verbal and written exercise. We will look at the masculine and feminie vocabulary.

Vocabulary: Items of clothing, I wear for example je porte, une veste, des gants, un short, il porte, des chaussures, un maillot de bain, un tee shirt, un pull. À l'école je porte..

Religious Education

We look at the question: How has belief in christianity and the Islamic faith impacted on music and art through history? Pupils will look at the many images of frescos, statues and paintings that adorn Catholic churches across Europe. They will discuss the role these have played in the development of art in history.

Vocabulary: Aniconism, Architecture, Church, Expressions, Hadith, Hymn, Iconoclasm, Patronage, Prophet, Symbolic.

Geography

We will be looking at Russia. It's Physical and Human geography, location in the world, the landscape of Russia: land use, adjoining counties and trade links. This is obviously a timely unit with current events and I will approach this carefully being mindful of the situation at the time.

Vocabulary: Country, continent, ocean, hemisphere, migration, navigation, conquest, political map, physical map, Weather, climate, biomes, temperature, below freezing, urban, rural, spatial variations, Fossil fuel, tundra, Moscow, St Petersburg,

Art and Design

Pupils will use charcoals to create quick, expressive drawings. They will concentrate on looking at their composition in detail before capturing it with quick, bold lines. They will evaluate their work.

Music

We will learn the song 'Make You Feel My Love' a pop ballad written by Bob Dylan and covered by Adele in 2008. We will learn to accompany the song using pitched instruments.

Vocabulary: Ballad, verse, chorus, interlude, strings, (string quartet), piano, guitar, melody, tempo

Computing

Children will discuss the importance of e-safety and produce a set of guidelines to help them stay safe online.

Vocabulary: risks, internet, social network, online profile, private profile, online behaviour, social networking, cyberbullying, truth, protection, copyright, plagiarism, sources of information, online gaming

PE

This half term we will be learning about shape, balance, and using apparatus safely.

In our other PE slot, we learn stance and footwork skills as we play team games.

PSHE/RSHE

Children will look at relationships focusing on getting on falling out.'
