Lions Summer 2 Curriculum Newsletter

Dear Parents/Carers,

Welcome back. Now entering the last phase of our summer term with lots of good things to look forward to. It was amazing to see the year 5's working together on their zoo project so well whilst the year 6's were concentrating on their SATS.

Term dates:

Start of Summer 2 term: Mon 6th June.
Last day of Summer 2term: Friday 22nd July.
Back to school for Summer 2 term: Monday 6th September.

Sats

Sats is now complete and we should be getting the results through soon (around July)

PE

We will continue to have P.E on Mondays and Wednesdays and children should come into school wearing their school PE kits.

Welly Day

This will continue on a Friday so please ensure pupils continue to come in wearing their outdoor clothing.

With best wishes,

Mr Martinez

Lions Curriculum Map

Summer 2

English

We will be learning about writing a persuasive letter influenced by the book Kick. Children are looking at how some children around the world have to work in sweat shops to provide shirts for football fans.

We will continue to read *Nowhere Emporium* in our Reading sessions as we learn how to use the text more in our answers.

Geography

Children will learn why geographers do fieldwork on location. They will learn about maps and make a sketch map of their locality using google maps to help them.

VOCAB: **fieldwork, enquiry question, ordnance survey map, topographic and political maps, 4 and 6 grid references**

Mathematics

This half term we will deepen our understanding of Properties of shapes and angles, multiplication and division and a general consolidation of areas that need strengthening.

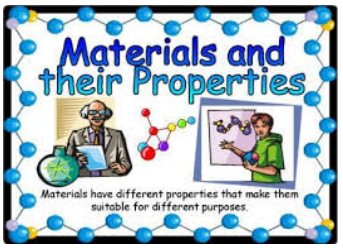

Vocabulary:

Angle, obtuse, acute, right angle, reflex,multiplication,division, long division.

Science

Pupils will investigate Properties of materials. We will be looking at keeping cool, brighter bulbs, dissolving, separating mixtures and irreversible changes.

Vocabulary: dissolve, separate, properties, texture, mix,change.

Design & Technology

Pupils will complete their Design & Technology unit during outdoor learning. They will be working with wood using simple tools to join different materials and working with clay.

French

This unit will look at the French terms for Le Week-end. Children will learn how to explain what subjects they are doing using the french vocabulary. They will become familiar with the vocabulary in listening, verbal and written exercise.

We will look at the masculine and feminie vocabulary.

Religious Education

We look at the question: How do beliefs shape identity for Muslims?

Vocabulary: Mohammad, Sunni, Shia, prophet, Ramadan, fasting, Qur'an, Allah.

Geography

Local study- compare and contrast local area to that of the village in Derbyshire where the residential will be.

Music

We will learn the song Fresh Prince of Bel-Air. Hip hop.

Computing

Children will learn how to use code.org: nested loops and functions.

PE

This half term we will be learning about playing cricket and athletics.

PSHE/RSHE

Children will look at Changes in PSHE.

In RSHE Asking for help.

Art and Design

Using contrasts between light and dark linked to Science Animals and Humans.
