20.10.22

We agreed:

- After half term, we will sit with our house teams, not year groups. There will be four big tables in the hall.
- There will be colouring to do if people finish lunch early. We must respect the equipment.
- Sheep and Lions will create a rota for 4 children every day to go into Sheep play area at lunchtime.
- MSA's (Mrs Baker and Mrs Tipple with help from Miss Baker) to establish some play equipment to be used at lunch – balls, hula hoops and a long skipping rope.
- Ms McConnell to buy: colouring and a big speaker and arrange an outside dressing up box and library.
