Summer 1 Learning experiences at home

Reading: Visit the local library and look for books about something you are interested in (e.g. The Earth, Nature, Sealife, cars, dinosaurs, fairies)	**Explore** With your child make your own life cycle of an animal. It could be a tadpole, a chicken, or a butterfly.  	**Maths** Explore counting to 5. **How to count to 5 | counting to 5 | reception maths - BBC Bitesize**
Get active! Set up an obstacle course in your home/garden/woods! Can you practice your balancing, jumping, hopping, throwing and catching skills?	**Mark making :** Practice writing and recognising numbers and letters; try using different mediums; pencil, chalk, paintbrush, a stick in sand/mud etc.	**Health/Wellbeing** **Sit spots** With your adult find a quiet place to sit, lay and be still in nature for 5 – 10 mins. What can you hear, see, feel, or smell. How does it feel?
